Department of Computer Applications

Academic Year 2020-2021

Date :20-02-2021

CIRCULAR

This is to Inform all the students that the Department of Computer Science is organizing Carrer Guidance Program on APICET 2021 for Admissions into MCA and MBA Courses. The program details are as follows:

Date : 22-02-2021

Time : 11 AM TO 12 Noon

Venue : III B.Com Computer Applications

The resource person for this program is Mr. M. Nagarjuna Lecturer in Applications at Government Degree College, Rayachoty.

The aim of the Program is to be provide detailed guidance and presentation strategies for students aspiring to pursue MCA and MBA Courses through APICET Entrance Test 2021.

The Objectives of the program are :

1. To familiarize students with the APICET 2021 entrance exam for MCA and MBA admissions.
2. To provide detailed information on the syllabus and exam pattern of APICET 2021
3. To Share effective preparation strategies and study plans.
4. To recommend the importance of practicing with mock test and previous year's question papers.
5. To motive and inspire students to aim high and achieve their academic goals.
6. To recommend useful study materials and resources.

All the students are encouraged to attend this valuable session. Your active participation will greatly benefit your preparation for Higher Education in MBA and MCA courses.

Department	Computer Applications
Name of the Activity Conducted	Carrer Guidance Program on APICET2021
Conducted Date	22-02-2021
Resource Persons details	M. Nagarjuna, Lecturer in Computer Applications
No of students participated	42
Aims & Objectives	Aim To Provide detailed guidance and preparation strategies' for students aspiring to pursue MBA, and MCA courses through APICET2021 Objectives : ❖ To familiarize students with the APICET 2021 and entrance exam for MCA and MBA admissions. ❖ To provide detailed information on the syllabus and exam pattern of APICET 2021 ❖ To Share effective preparation strategies and study plans. ❖ To recommend the importance of practicing with mock test and previous year's question papers. ❖ To motive and inspire students to aim high and achieve their academic goals. ❖ To recommend useful study materials and resources.

Brief report of the Activity	The Department of Computer Science is organizing Carrer Guidance Program on APICET 2021, for Admissions into MCA and MBA Courses. The program was conducted on 22-02-2021 by Mr. M. Nagarjuna, Lecturer in Computer Applications. Over view of APICET2021: M. Nagarjunaprovided a extensive of the APICET 2021, entrance examination. He explained the importance of the examination and the opportunities it offers for pursuing MBA and MCA in the prestigious institutions. Syllabus and Examination Pattern for 2021: Detailed insights were shared on the syllabus and examination pattern of APICET 2021, This included the types of questions, making schemes, and important topic to focus on. Preparation Strategies' : The session included effective preparation strategies', study plans and tips on how to manage time during the examination. Emphasis was placed on understanding fundamental and regular practice. Resource Materials Mock Test and Previous Question Papers Motivation and Guidance Attendance : The program was attended 42 students. The enthusiastic participation of the students reflected their keen interest in pursuing Higher Education in. MCA and MBA.
-------------------------------------	--

Conclusion :-

The Carrer Guidance program on APICET 2021, was highly informative and beneficial for the students. The detailed guidance and strategies' provided by M. Nagarjuna have equipped the students with necessary knowledge and confidence to prepare effectively for APICET 2021. The Department of Computer Applications plans to conduct more such sessions in the future to continuously support the academic and career aspiration of our students

(Accredited with C grade by NAAC)

Department of Physics

Date: 30-11-2021

Circular

This is to inform all first, second, and third-year B.Sc. Physics students that the Department of Physics is organizing a Career Guidance Program on State Government Competitive Exams. The program details are as follows:

Date: 02-12-2021

Time: 10 AM

Venue: III M.P.Cs. class room

The resource person for this program is Dr B. Venkata Rao, M.Sc,B.Ed,MPhil,Ph.D. Lecturer in Physics.

The aim of the Career Guidance Programme is to help students understand and prepare for state government competitive exams, providing them with the necessary information, strategies, and motivation to succeed in securing government jobs.

The objectives of the program are:

- 1. Raise Awareness:**
 - o Inform students about state government competitive exams (Group-1, Group-2, Group-4).
- 2. Understand Exam Structure:**
 - o Explain the exam format, syllabus, and pattern.
- 3. Provide Study Strategies:**
 - o Share effective preparation techniques and study plans.
- 4. Motivate Students:**
 - o Inspire and encourage students to pursue government careers.
- 5. Recommend Resources:**
 - o Suggest useful books, online materials, and coaching options.

All first, second, and third-year B.Sc. Physics students are encouraged to attend this valuable session. Your active participation will greatly benefit your preparation for your career.

Name of the Co-Ordinator	B. Kiran Kumar, M.Sc, Bed, NET, SET.
Name of the Lecturers involved	B.Sivamma, Lecturer in Telugu
No of students participated	42
Aims & Objectives	Aim The aim of the Career Guidance Programme is to help students understand and prepare for state government competitive exams, providing them with the necessary information, strategies, and motivation to succeed in securing government jobs. Objectives: 1. Raise Awareness: - o Inform students about state government competitive exams (Group-1, Group-2, Group-4). 2. Understand Exam Structure: - o Explain the exam format, syllabus, and pattern. 3. Provide Study Strategies: - o Share effective preparation techniques and study plans. 4. Motivate Students: - o Inspire and encourage students to pursue government careers. 5. Recommend Resources: - o Suggest useful books, online materials, and coaching options. 6. Address Queries: - o Answer students' questions and clear their doubts.

the nuances of various competitive exams such as Group-1, Group-2, and Group-4. The session commenced with an introductory note on the significance of government jobs and the various opportunities available through state government competitive exams.

Dr. B. Venkata Rao provided a comprehensive overview of each exam, detailing the eligibility criteria, exam pattern, and the syllabus. He emphasized the importance of time management, consistent study routines, and the need for a strategic approach to cover the vast syllabus. Additionally, Dr. Rao shared several practical tips and strategies to help students enhance their preparation and improve their chances of success.

Overview of Entrance Exams:

State government entrance exams, such as Group-1, Group-2, and Group-4, are designed to recruit candidates for various administrative and governmental positions. These exams are highly competitive and attract numerous applicants each year. They serve as a gateway to stable and prestigious careers in the public sector, offering numerous benefits and opportunities for growth.

These exams typically consist of multiple stages, including preliminary exams, mains, and interviews. The preliminary exam is usually objective in nature, testing general awareness and aptitude. Those who qualify move on to the mains, which are more detailed and may include descriptive questions on specific subjects. The final stage is the interview, where candidates are assessed on their personality and suitability for the role.

Syllabus and Exam pattern

State government entrance exams, such as Group-1, Group-2, and Group-4, usually have multiple stages: preliminary exams, mains, and interviews. The preliminary exam is objective, testing general knowledge and aptitude. The mains are more detailed, with descriptive questions on various subjects like general studies, current affairs, and specific job-related topics. The final stage is the interview, assessing the candidate's personality and suitability for the role. Understanding the syllabus and exam pattern is crucial for effective preparation and success.

Motivation and Guidance:

Preparing for state government entrance exams requires dedication, persistence, and a positive mindset. Stay motivated by setting clear goals and reminding yourself of the benefits of a stable and prestigious government career. Develop a study plan that includes consistent daily practice, time management, and periodic revisions.

Utilize recommended resources, seek guidance from mentors, and join study groups for additional support. Remember, perseverance and hard work are key to overcoming challenges and achieving success in these competitive exams

Conclusion:

Career Guidance Programmer provided valuable insights and practical advice for students preparing for state government competitive exams. Dr. B. Venkata Rao's guidance on exam patterns, study strategies, and resource recommendations was well-received. The session motivated students to pursue their goals with dedication and confidence. Overall, the programme successfully equipped attendees with the knowledge and inspiration needed to excel in their exam preparation. This event was a significant step towards helping students achieve their aspirations of securing government jobs.

Circular

This is to inform all first, second, and third-year B.Sc. Chemistry students that the Department of Chemistry is organizing a Career Guidance Program on Pharmaceutical sector- opportunities. The program details are as follows:

Date: 28-01-2021

Time: 2:00 PM

Venue: Chemistry Class Room

The resource person for this program is M. Bhanu Prakash Reddy M.Sc, M.Ed. Lecturer in Chemistry.

The aim of the Career Guidance Programme is to help students understand, importance and opportunities in Pharmaceutical sector , providing them with the necessary information, strategies, and motivation to succeed in securing Pharmaceutical sector opportunities .

The objectives of the program are:

- Understand the fundamentals of pharmaceutical sciences and their applications in drug development.
 - Gain knowledge of drug design, synthesis, and the chemistry of pharmaceutical compounds.
 - Develop skills in analytical techniques for the identification and quantification of pharmaceutical substances.
 - Learn about regulatory requirements and quality control in pharmaceutical production.
 - Explore the principles of pharmacokinetics and pharmacodynamics in drug action.
 - Study the impact of pharmaceuticals on human health and disease prevention.
 - Acquire hands-on experience through laboratory work and practical projects related to pharmaceutical chemistry.
 - Understand the role of organic, inorganic, and physical chemistry in drug formulation and delivery.
- All first, second, and third-year B.Sc. Chemistry students are encouraged to attend this valuable session. Your active participation will greatly benefit your preparation for your career.
